

## EC Declaration of Conformity

### REACH EC 1907/2006 Registration, evaluation, authorization and restriction of chemical substances

In compliance with REACH Directives which is the European Community Regulation on chemicals and their safe use (EC Regulation No. 1907/2006), NEUTRIK AG assures its customers that all Neutrik Group products meet the following requirements pertaining to the 233 SVHCs (Substances of Very High Concern) - Candidate list specified on the the Candidate list valid from 17.01.2023 published at:

[Candidate List of substances of very high concern for Authorisation - ECHA \(europa.eu\)](#)

Regarding substances listed in annex XIV, XVII and in accordance with article 33(1) of EC 1907/2006 NEUTRIK AG confirms that all articles are compliant with REACH Regulation.

NEUTRIK AG certifies that some products do contain the Substances of Very High Concern (SVHC's). It should be noted that SVHC entries are not banned from inclusion but must be reported per current REACH regulations.

- Connectors and chassis like XLR, BNC, plugs and jacks as well as speakON, opticalCON and powerCON, comprising copper alloys such as brass, contain the substance lead higher than 0.1% (CAS 7439-92-1, EC No. 231-100-4).

This declaration is based on the monitoring of our supply chain. Once new information is available, an update will be made accordingly.
